

Compare/Contrast Graphic Organizer.

Name: _____

Directions: After you hand the thesis in to Miss Gilbert in the hour inbox (and have completed the introduction), please work on clearly organizing the rest of your paper with this worksheet. For each of the blanks below, please fill in accordingly with the topics and examples in which you will argue for the paper. This will keep you on the right track during your paper and prevent you from forgetting the thoughtful points you plan to make (especially since we won't be making body paragraphs until next week- you don't want to forget!). Use your bubble chart from your individual topic brainstorm to help you out. Keep this worksheet for your reference, but make sure to bring it to class on Tuesday.
