

# **Revisions (Independently)**

**1. Under your title (left side) type the following:**

**Audience:**

**Purpose:**

**Establish your audience and purpose.**

**2. Use the rubric as a checklist. Read over your speech and cross reference it with the rubric-make sure that your speech addresses each of the expectations. Check them off as you work through the speech.**

**2. Find 5 DIFFERENT rhetorical devices in your speech - underline each device. You will have to label each device on your final draft.**

# Peer revisions

1. Use the comments section on the rubric to give feedback for each expectation.
2. Focus on the following:  
PRAISE what was done well  
QUESTION anything that's confusing- it will have to be clarified by the author  
POLISH-give constructive suggestions on what needs to be improved
3. Conference with your partner
4. Finalize your paper.
5. Print it.
